Welcome to Women's Rehabilitation Group's 43rd Anniversary.

Dear Friends,

For the last 43 years, the Women's Rehabilitation Group (WRG) has been dedicated to empowering women and protecting their fundamental rights.

Alongside our generous donors, we work to build stronger, fairer communities by focusing on two core pillars:

Children's Education: WRG provides underprivileged children the stable educational foundation they need to break free from dependency and build a brighter future.

Vocational Training: WRG works with organizations to provide vocational training to women to uplift themselves and their families, giving them the tools to start their own business or the flexibility of working from home.

We are so excited to share our newly updated website **www.wrgofnj.org** where you can see the deep impact of your generosity. We highly recommend for you to watch the videos in the Scholar Stories section. Watching how you have collectively changed lives, will absolutely warm your hearts.

Thank you all for your incredible loyalty and support over the years. We hope you feel inspired to continue this vital journey with us.

Warm regards,

The WRG Executive Committee.
